

Promotional Cube Boxes

A brilliant presentation in a neat little package

ITP's promotional cube boxes are a great way to make an impact with customers. Simply customize the design...then print, fold and fill the box with specific items your audience will appreciate.

Attention-grabbing and cost-efficient to create, each box is constructed from pre-die-cut sheets and printed on our state-of-the-art Indigo Digital Press from HP. This allows for fast short-run jobs at an affordable cost per piece—and a brilliant finished product.

IDEAL FOR:

- **Promotional packaging.** High-impact solution for corporate events, trade shows, merchandising and other promotional uses.
- **Gifts and giveaways.** Go the extra mile to impress prospective clients or thank your loyal customers.
- **Candy holder.** Perfectly sized for candy, confectioneries and other small goodies.
- **Golf outing promo gifts.** Add value to your golf outings and retain players for the next event.
- **Card holder.** Each cube box can conveniently hold a gift card, hotel room key, trade show badge or event ticket.

■ **Many other uses.** *Ask us how your business can make an impact with ITP's cube boxes!*

UNIQUE FEATURES & BENEFITS

- **No-hassle design.** Preset 4"x4"x4" design template allows your team or ITP designers to easily bring your concept to life.
- **Pre-die-cut sheets.** Save money by eliminating the need for custom die-cutting. Your design is ready to print, right away.
- **Fast and affordable.** Since your cube boxes are printed on our digital press, we can quickly tackle small runs at an affordable cost per piece.
